Austrian Green Planet Building®

Extensive know-how, innovative technologies and products of Austrian companies are gaining worldwide recognition in the construction and real estate industry: Outstanding architecture, the highest level of competence in energy-efficient construction and high-performance technologies ensure high-quality buildings. The AUSTRIAN GREEN PLANET BUILDING® Award focuses on the challenges of climate protection and aims at ensuring particularly energy-efficient buildings.

The public patronance of the AUSTRIAN GREEN PLANET BUILDING® stands for high credibility and independence: By the cooperation of the Federal Ministry for Innovation, Mobility and Infrastructure, the Federal Ministry of Economy, Energy and Tourism and ADVANTAGE AUSTRIA of the Austrian Chamber of Commerce, Austrian companies worldwide are supported in the implementation of their ideas and products for climate-neutral buildings.
